

# HAVAS 50 PENDANT

2016 GREEN GOOD DESIGN  
AWARD

**HAVAS** is a do-it-yourself lamp and comes in a flat box with assembly instructions. The plywood lamp constructs itself of tens of birch plywood slats, which will be joint together to form an intelligent structure. There are three sizes available: Havas 40 (diameter 40 cm), Havas 50 and Havas 70, all in natural birch. No surface treatment, glue or metal parts are needed.
