

PILKE 28 FLOOR

2016 GREEN GOOD DESIGN
AWARD

PILKE plywood lamp family consists of six pendant lamps: Pilke 18 (diameter 18 cm), Pilke 28, Pilke 30/70, Pilke 36, Pilke 60 and Pilke 80. There are three colour options: natural birch without any surface treatment, white lacquer and black stain. Also available are solutions for table and floor lighting.

The **PILKE** lights are assembled of numerous plywood parts in a way which brings together traditional Finnish handicrafts technique and ultramodern computer geometry. No glue or screws are needed.

PILKE is a unique, decorative lamp, giving natural warm light through its wooden structure. The word **PILKE** is a Finnish word for **TWINKLE**.
