Step Lite Louvre **PURE LED**

Cat. No. SLLU/L

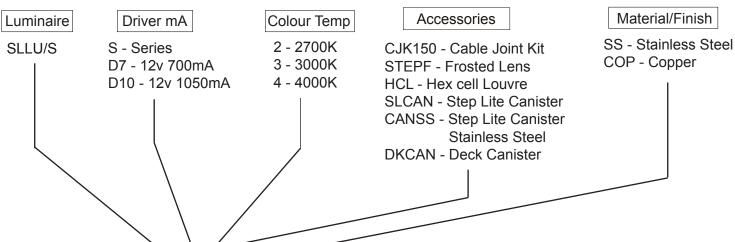

The Step Lite Louvre has a flush to the surface look with no protrusions. The 45 degree louvre eliminates all upward light, making this luminaire ideal for providing illumination of steps and low level features such as exterior paved areas.

The Hunza PURE LED system uses the latest Cree MTG-2 LED chips for maximum performance and long life. Power supply options include a choice of integral 12 volt driver or an external remote driver. The PURE LED system incorporates an innovative Plug-and-Play system for easy replacement or upgrade of either the LED engine or integral driver.

- * At 700mA this fitting is the equivalent of a 35w halogen fitting.
- * At 1050mA this fitting is the equivalent of a 50w halogen fitting.
