

## Cintola Pendant

The Cintola Pendant combines a hand blown glass diffuser with an anodised aluminium body. The glass is available in 7 different colours; please refer to the samples on page 47. The pendant can be supplied with either a mains voltage G9 lamp or a constant current LED module. The latter option comes with an integral driver. The pendant comes with a 2.5 metre flex assembly.

Max 220v 25w G9

Max 120v 25w G9

or

350mA 1.2w LED
