

NEMO

NUVOLA Pendant

Mario Bellini

Pendant, ceiling/wall lamps in natural opal polyethylene, in rotational printing. Full lighting for a widespread and comfortable output. The pendant version is fastened to the ceiling with three suspension cables, adjustable with an outline included in the package. White canopy freely adjustable on the ceiling. The ceiling/wall version is composed by one of the two blocs (deep or flat, to choose). Dimmable. For the pendant version, DALI driver on request.
