

Zooid 1M Wall & Ceiling Light

The Zooid 1m wall fixture uses the same geometric lines and shard-like planes as our Zooid Pendant Lights, but is designed to be mounted on a wall. It can be customized with

our signature silk, or white polymer. This wall lamp takes on a different character to other members of the Zooid Family when customized with one of vibrant silk colors.

Dimensions	30x100x100cm / 11.8x39.4x39.4
Material	Silk or polymer coating on metal
