

Sunsa 21/76 Chandelier

The Sunsa 21 chandelier is like a colony of luminous of flying saucers, or lily pads floating on the surface of a lake. It evolved from a site-specific project in Valencia, which was then developed into the Sunsa range –

now part of the Stand By Family. It is possible to customize this chandelier so it can fit a number of spaces, and its character can change dramatically based on which color silk shades it uses.
