

5111 Mini Accent Long Shroud

Landscape Accessory

Model	Finish
5111-LSHR	BBR Bronze on Brass BK Black on Aluminum BZ Bronze on Aluminum

Example: **5111-LSHR-BBR**

DESCRIPTION

This large cowl for the 5111 Accent Light reduces glare by increasing the cutoff angle for light. Available in Bronze or Brass, replaces existing medium cowl that comes installed on factory Accent Lights.

FEATURES

- Reduce glare: ideal for downlighting application
- 5 year warranty
