Description

Suspension lamp with a metal body, textile cable, optional metal and glass shades, an acrylic (PMMA) lens diffuser, and integrated LED. The glass and metal shades are optional and can be arranged in various ways and positions to create different designs. The metal shade comes in three sizes (Ø 250mm, Ø 350mm, Ø 450mm) and can be installed facing up or down. Features adjustable height with an individual canopy, suitable for creating unique compositions.

Pictures above might not show the specified dimensions or material. They are for illustration purposes only.

Many possible shapes with BEL_4145

The glass shade is optional. If not used, the pendant comes with a standard acrylic PMMA optic lens. When the glass shade is used, it includes a special acrylic lens that provides even lighting without shadows. The metal shade is available in three sizes (Ø 250mm, Ø 350mm, Ø 450mm) and it can be installed facing up or down. Maximum lamp height 3500mm.
