

Wall lighting system with indirect light for indoor use.	INFINITO is a spatial concept. An ultra-thin tape cuts through the space producing an indirect light. INFINITO breaks down the luminaire, turning it into something else, leaving only a trace, a line and then not even that, just light.	The tape is in AISI 301 stainless steel, is 18 mm wide and can be extended up to 36 m in length (standard measurements 6 / 12 / 18 m). The adhesive covering tape is in matt black PVC. The tensioners are in matt black anodised aluminium. The TW version is available in 5 / 10 m lenghts.	The light source is an 8 mm wide LED strip. The driver is not included but is available as an accessory.
Sistema di illuminazione da parete, a luce indiretta, per interni.	INFINITO è un concetto spaziale. Un nastro sottilissimo taglia lo spazio e produce luce indiretta. INFINITO smaterializza l'oggetto lampada, trasformandolo in qualcos'altro, lasciandone solo una traccia, una riga e poi nemmeno più quella, solo la luce.	Il nastro è in AISI 301, è largo 18 mm e può essere teso fino a 36 m di lunghezza (misure standard 6 / 12 / 18 m). Il nastro adesivo di copertura è in PVC nero opaco. I tenditori sono in alluminio anodizzati nero opaco. La versione TW è disponibile da 5 / 10 m di lunghezza.	La sorgente luminosa è costituita da una strip LED di 8 mm di larghezza. Il driver non è incluso, ma è disponibile come accessorio.

Finish

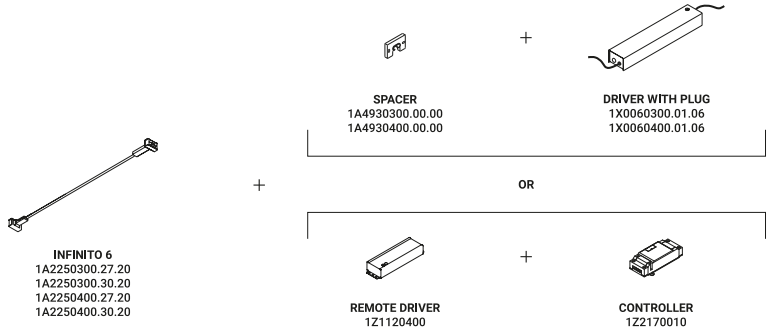

.03 Matt White

.04 Matt Black

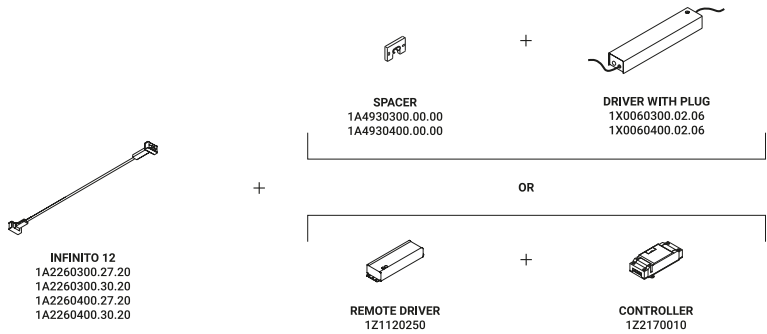

Custom finish available on request (wall connection and installation kits only).
Finitura personalizzata su richiesta (solo per attacco da parete e kit di installazione).
