Thales

table lamp

1. Product overview

Table lamp with a glass shade providing soft, diffused illumination. Its versatile design allows for both tabletop and wall-mounted use. It can be fixed directly to the wall and connected to a standard power socket, eliminating the need for a dedicated electrical point. This dual functionality offers a flexible lighting solution for residential and hospitality interiors, combining practicality with refined aesthetics.

2. Finishes & Materials

Shade: White Opal Glass

Body: 20 Metallic Gold
87 Bronze
96 Anthracite

3. Light Source & Dimming

Lamping

LED 6,2W (2700K / Ang. 124° / >90 CRI / 350mA)

230V / Typ* 725 lumens

*Integrated LED module (included).

Dimming

On/Off cord switch.

4. Functionality & Accessories

The lamp can be mounted directly onto the wall and connected to a standard power socket, allowing flexible positioning without the need for a dedicated electrical point or modifications to existing wiring.

5. Photometric Data & Technical Information

Photometric data corresponds to the output of each individual lamp.
Access to photometric files in download area.

8. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
